

AQUAPRIDE

Denbigh High School PSA Newsletter

SCHOOL SONG

First Verse

In the heart of Denbigh, on Jackson Street
Is a school that dances to its own beat
From humble beginnings, we have grown
Reaping the fruits that we have sown
Denbigh High of nineteen sixty-nine
Growing stronger with the Divine.

VICE-PRESIDENT'S VOICE

I am thankful for being a part of the new Executive
Body for the Denbigh High School Past Student
Association, I am looking forward to bigger things
and also hoping all past students will come on board
to make our PSA the best!

MESSAGE FROM THE
FORMER EXECUTIVE

RETROSPECT: A LOOK
BACK AT LAST YEAR

President's Message

We are pleased as the PSA arm of Denbigh High School to launch our inaugural Newsletter. This is one of many ways we intend to keep you updated on PSA activities. I must commend my team of dedicated Executive Members who brainstormed and came up with this invaluable medium of communication.

Our new Executive team would like to openly salute the outgoing Executive team for the sterling years of commitment that was dedicated to the building of the PSA. We are charged as a new Executive team to continue policies started out by our predecessors and strengthen areas that need amelioration. We are committed to being transparent, responsive, active and supportive to you our members and to the school we all love so much: 'Denbigh High.'

We are unable to manoeuvre the affairs of the PSA without your involvement whether on the grounds, paying your membership fees and by being a true patriot to the PSA to ensure it blossoms where it ought to be.

The year 2020 might have been a trying one for you and your loved ones whether directly or indirectly due to the novel Corona Virus (Covid-19). Our beloved alma mater was not spared as the physical gates of our pedagogic environment were forcefully closed in mid-March. Despite the negative consequences the closure might have had on the school and physical environment, Denbigh High School with the competent management team, PSA, PTA and other stakeholders have championed the way for continued partnership in catering to the varied needs of students.

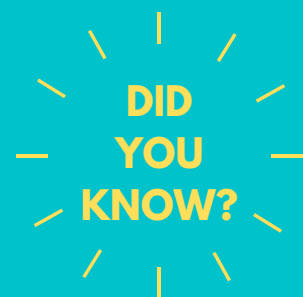

As we exit 2020, the year of great mystery, let us ring in 2021, the year of great recovery, knowing that while we [PSA] rise to greater heights, the greater our alma mater will be as a force to reckon with.

AquaNation! AquaPride!

Madeline Henry

Message from the Past Executive

It has been a pleasure serving the Denbigh High PSA for the past 6 years. Thanks to this organization it has taught us how to stand strong with your team when it seems like your back is against the wall. Also, it has shown us that we can do whatever we put our minds to. As we pass the baton to the new executive, we hope that the team will be able to continue to grow and have more persons involved which will grow the Denbigh High PSA and Denbigh High School from strength to strength. As we look on from the present the future of Denbigh High PSA's does look bright. With a team as diverse as this we know that they will be able to touch more lives and inspire others to come on board. With that, we would just want to say Congratulations to the new Executive.

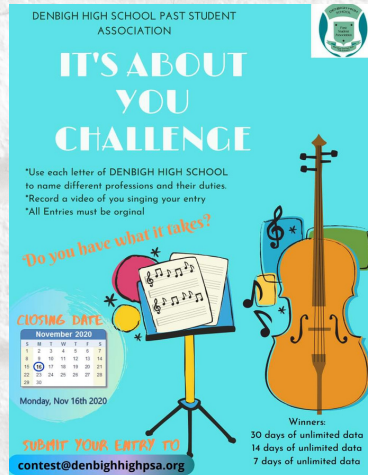

Sajato Powell

Immediate Past VP

Retrospect: A Look Back at Last Year
